Stephen,

I will ask Mr. Ryan to do just that. We are very appreciative of the attention we received.

Thanks

Hi Rock,

I don't remember a list being generated, but you can send a letter or e-mail to the EPA regional community liaison and myself and we can share it with all the scientists involved.

The EPA regional community liaison is: Mr. Donn Walters, and his contact info is:

Hey Stephen & Marshall;

Thanks for being our guides during last week's site visit. I really learned a lot. County Attorney Vince Ryan wants to send out thank you letters to all of you scientists that were willing to spend their Friday stuck on boats with a bunch of government lawyers (No lawyer/shark jokes, please). Anyway, it occurred to me I did not have a contact list. Do you have one or could you point me in the right direction?

Thanks,

Rock Owens
